

MEGAN MYRICK PHOTOGRAPHY'S HALLOWEEN SESSIONS TO BENEFIT LOCAL FOOD BANKS VIA UNITED WAY OF BRYAN COUNTY

RICHMOND HILL, GA – October 3, 2016 – International award-winning photographer Megan Myrick announces a Limited Edition Halloween Sessions event at her Richmond Hill studio. This fun-filled afternoon gives families a special opportunity to preserve memories of their little ones in their Halloween costumes. It's scheduled for 2-5 p.m. Saturday, Oct. 29, 2016 at Megan Myrick Photography's studio, 11258 Ford Ave., Suite 5. Slots are limited, so families who are interested are encouraged to sign up for an appointment soon. Pre-booking is required.

Always eager to give back to the community where she lives and works, Myrick is also using the sessions as a means to help area families in need. Any clients who brings at least three nonperishable food donations to their session will receive a complimentary extra digital image. Myrick's partnership with United Way of Bryan County will ensure the contributions go to local food banks that are focused on helping people in the local community.

Each limited edition session will last 10 minutes, and includes the option of purchasing three images for \$55, or five images for \$75. Families may get group shots of siblings and step-siblings, but the sessions are for children only.

“I am so excited about our Halloween sessions. The studio will be decorated, we’ll have adorable little ones running around in costume, families will have fun – it’s going to be fantastic!” Myrick said. “I look forward to seeing familiar clients and making new friends. Plus, it’s a great opportunity to support others in our community who are in need by bringing some nonperishable food donations to your session.”
